MISSISSIPPI DEPARTMENT OF TRANSPORTATION

APPLICATION FOR PERMIT TO ERECT DIRECTIONAL AND OFFICIAL SIGNS ADJACENT TO MISSISSIPPI FEDERAL AID PRIMARY OR INTERSTATE HIGHWAYS

Part I - Instructions

Complete the application, signed, notarized, and present it to the Mississippi Department of Transportation (MDOT) District Office serving the District where the sign is to be located. If this application is approved, the applicant agrees to abide by the provisions of Mississippi Laws and the rules and regulations established by the Mississippi Transportation Commission pertaining to outdoor advertising, and certifies that the below described sign will be erected and maintained in accordance with all specification, standards and requirements under these laws, rules and regulations. **MDOT, by issuance of this permit, does not represent that the sign or location thereof meets city, county and/or local government laws, orders, ordinances and / or other regulations. (Type or print legibly in dark ink)**

Part IV - Type Sign

Check appropriate spaces below to indicate the type of sign this application is for:

☐	Directional Sign. I/we certify that this application complies with the size, spacing, location, and message content requirements of Section P.2.a. of SOP-MND-09-01-01-000.
☐	Official Sign or Notice. I/we understand that there is no limitation as to size, spacing, message content or location of this sign other than that stipulated in Section P.2.e. of SOP-MND-09-01-01-000.
☐	Public Service Sign. I/we certify that this application complies with the size, location, and message content requirements of Section P.2.b. of SOP-MND-09-01-01-000.
☐	Religious Notice. I/we certify that this sign meets the size and location requirements of section P.2.c. of SOP-MND-09-01-01-000.
☐	Service Club Notice. I/we certify that this sign meets the size and location requirements of Section P.2.c. of SOP-MND-09-01-01-000.

I/we agree to construct and maintain the proposed sign in compliance with all regulations of Mississippi Department of transportation and if the sign as erected does not conform to the laws and regulations governing same, and after thirty (30) days notice the sign has not been made to conform therewith, the permit issued for the erection of sign will be null and void and the sign will be immediately removed by the applicant.

As a condition of the approval of this application the applicant agrees to maintain the proposed sign to such standard as will produce a neat, attractive appearance, and will not detract from the public investment in the highway, the natural beauty of the adjacent area or the recreational value of public travel.

As a condition of approval of this application, the applicant agrees to remove this sign upon thirty (30) days notice, at his / her sole expense, if the sign becomes nonconforming to current regulations due to highway construction, reconstruction or relocation.

Part VI - For District Office Use Only

Upon review of this application and the accompanying documents, it appears that the proposed sign is :

○ Conforming ○ Nonconforming

This permit is recommended for approval for the sign described above at the location specified in this application. This permit shall be valid for one (1) year. The sign must be erected within that year. If said sign is not erected before this permit expires, applicant must obtain a new permit. This sign must be legally maintained in accordance with all applicable laws, regulations and the provisions of this permit. Applicant must advise the district office when the sign has been built. This permit cannot be assigned or transferred without notification to the Department. Issuance of this permit shall not be deemed to create a property right.
