In addition to payment for services rendered prior to the date of termination, the COMMISSION shall be liable only for the reasonable costs, fees and expenses for demobilization and close out of this CONTRACT, based on actual time and expenses incurred by the CONSULTANT in the packaging and shipment of all documents covered by this CONTRACT to the COMMISSION. The COMMISSION executes all directives and orders through the MDOT. All notices, communications, and correspondence between the COMMISSION and the CONSULTANT shall be directed to the key personnel and designated agents designated in this CONTRACT.

Each billing shall include all time and allowable expenses through the end of the billing period. Monthly payments will be made on the basis of a certified time record. The COMMISSION retains the right to verify time and expense records by audit of any or all the CONSULTANT'S time and accounting records at any time during the life of this CONTRACT and up to three years thereafter.

If SERVICES are rendered within a given State fiscal year, an invoice requesting payment from the CONSULTANT shall be presented to the MDOT within 60 days of the end of the State fiscal year. **Should the CONSULTANT fail to present the invoice within the allotted time, legislative approval may be required before payment can be rendered.**

The CONSULTANT further agrees that FHWA or any other federal agency may audit the same records at any time during the life of this CONTRACT and up to three years thereafter, should the funding source for all or any part of this CONTRACT be funds of the United States of America.

C. Record Retention

The CONSULTANT shall maintain all time and expense records related to the PROJECT and used in support of its proposal and shall make such material available at all reasonable times during the period of this CONTRACT and for three years from the date of final payment under this CONTRACT for inspection by the COMMISSION, and copies thereof shall be furnished upon request, at the COMMISSION'S expense. The CONSULTANT agrees that the provisions of this Article shall be included in any CONTRACT it may make with any subconsultants, assignees or transferees.

D. Retainage

The COMMISSION shall retain 5% of the CONSULTANT'S invoice amount until the final payment request has been received and an audit of the total PROJECT cost to date has been completed by the COMMISSION or its designee.

ARTICLE VII. FINAL PAYMENT

The CONSULTANT shall clearly indicate on its last Invoice for the PROJECT that the Invoice is "FINAL". The MDOT Project Manager will confirm that the PROJECT is ready to be closed and the "FINAL" Invoice may be paid. All "FINAL" invoices shall pay any retainage withheld on the PROJECT. However, under no circumstances will the total amount paid exceed the maximum not to exceed amount established for the PROJECT. The CONSULTANT shall submit their "FINAL" invoice no later than 45 days following termination of this CONTRACT. MDOT reserves the right to refuse to make payment on any invoices submitted later than 45 days after the termination date of this CONTRACT.

The CONSULTANT agrees that acceptance of the final payment shall be in full and final settlement of all claims arising against the COMMISSION for payment for work done, materials furnished, cost incurred, or otherwise arising out of this CONTRACT and shall release the COMMISSION from any and all further claims for payment, whether known or unknown, for and on account of said CONTRACT, including payment for all work done, and labor and material furnished in connection with the same. Failure to perform, to the satisfaction of the COMMISSION, all terms of this CONTRACT, which include the Scope of Work and other exhibits, any technical specifications, and special requirements of the COMMISSION, or the CONSULTANT'S failure to perform according to the prevailing industry standards, including standards of conduct and care, format and content, shall be corrected by the CONSULTANT without additional compensation.

ARTICLE VIII. REVIEW OF WORK

Authorized representatives of the COMMISSION may at all reasonable times review and inspect the SERVICES being provided under this CONTRACT and any addenda or amendments thereto. Authorized representatives of the FHWA may also review and inspect the SERVICES under this CONTRACT should funds of the United States of America be in any way utilized in payment for said SERVICES. Such inspection shall not make the United States of America a party to this CONTRACT, nor will FHWA interfere with the rights of either party hereunder.

All reports, drawings, studies and maps prepared by and for the CONSULTANT, shall be made available to authorized representatives of the COMMISSION for inspection and review at all reasonable times in the General Offices of the COMMISSION. Authorized representatives of the FHWA may also review and inspect said reports, drawings, studies and maps prepared under the CONTRACT should funds of the United States of America be in any way utilized in payment for the same. Acceptance by the COMMISSION shall not relieve the CONSULTANT of its contractual and professional obligations. CONSULTANT shall correct, at its expense, any of its breaches, errors and/or omissions, in the final version of the work.

The CONSULTANT shall be responsible for performance of and compliance with all terms of this CONTRACT, including the Scope of Work and other exhibits, and including any technical specifications and special requirements of the COMMISSION, to the satisfaction of the COMMISSION, and shall be responsible for errors and/or omissions, including those as to conduct and care, format and content, for all aspects of the CONTRACT, and including professional quality and technical accuracy of all designs, drawings, specifications, and other services furnished by the CONSULTANT.

Failure to comply with any terms of this CONTRACT shall be corrected by the CONSULTANT without additional compensation.

If any breach of CONTRACT, is discovered by COMMISSION personnel after final acceptance of the work by the COMMISSION, then the CONSULTANT shall, without additional compensation, cure any deficiency or breach including errors and/or omissions in designs, plans, drawings, specifications, or other services.

In the event that the project schedule requires that a breach of this CONTRACT be corrected by someone other than the CONSULTANT then the actual costs incurred by the COMMISSION for such corrections shall be the responsibility of the CONSULTANT. The COMMISSION shall give the CONSULTANT an opportunity to correct said breach unless (1) the COMMISSION determines, in its sole discretion, that the CONSULTANT cannot cure the breach within the schedule established by the COMMISSION, or (2) the COMMISSION determines, in its sole discretion, that the CONSULTANT cannot cure the breach to the satisfaction of the COMMISSION.

In the event that the CONSULTANT breaches this CONTRACT, and the breaches of the CONSULTANT are discovered after the project is complete, then an accounting of all costs incurred by the

COMMISSION resulting from such breach, including errors and/or omissions, will be made and such amount will be recovered from the CONSULTANT.

ARTICLE IX. RESPONSIBILITIES FOR CLAIMS AND LIABILITY

The CONSULTANT shall indemnify and hold harmless the COMMISSION and all its officers, agents and employees from any claim, loss, damage, cost, charge or expense, including reasonable attorney fees, to the extent caused by any negligent act, actions, neglect or omission by the CONSULTANT, its agents, employees, or subconsultants during the performance of this CONTRACT, whether direct or indirect, and whether to any person or property for which the COMMISSION or said parties may be subject, except that neither the CONSULTANT nor any of his agents or subconsultants will be liable under this provision for damages arising out of the injury or damage to persons or property to the extent caused by or resulting from the negligence of the COMMISSION or any of its officers, agents or employees.

The CONSULTANT'S obligations under this Article, including the obligations to indemnify, defend, hold harmless, pay reasonable attorney fees or, at the COMMISSION'S option, participate and associate with the COMMISSION in the defense and trial or arbitration of any damage claim, lien or suit and any related settlement negotiations, shall be initiated by the COMMISSION'S notice of claim for indemnification to the CONSULTANT. Only an adjudication or judgment after the highest appeal is exhausted specifically finding the COMMISSION entirely responsible shall excuse performance of this provision by the CONSULTANT. In such case, the COMMISSION shall pay all costs and fees related to this obligation and its enforcement. Should there be a finding of dual or multiple liability, costs and fees shall be apportioned accordingly.

In conjunction herewith, the COMMISSION agrees to notify the CONSULTANT in writing as soon as practicable after receipt or notice of any claim involving the CONSULTANT. These indemnities shall not be limited by reason of the listing of any insurance coverage below.

The COMMISSION shall be listed as a certificate holder of insurance on any of the insurance required under this CONTRACT.

In the event that the CONSULTANT retains any subconsultant or other personnel to perform SERVICES or carry out any activities under or incident to work on any project or phase of this CONTRACT, the CONSULTANT agrees to obtain from said subconsultant or other personnel, certificates of insurance demonstrating that said subconsultant or other personnel shall have sufficient coverage, or CONSULTANT agrees to include said subconsultant or other personnel within the CONSULTANT'S coverage for the duration of this PROJECT or phase for which said subconsultant or other personnel is employed.

The Insurance coverage recited above shall be maintained in full force and effect by the CONSULTANT during the life of this CONTRACT. Such certificate shall identify this CONTRACT and contain provisions that coverage afforded under the policies will not be cancelled, terminated, or materially altered until at least thirty (30) days prior written notice has been given to the COMMISSION.

The CONSULTANT will furnish certified copies, upon request, of any or all of the policies and/or endorsements to the COMMISSION prior to the execution of this CONTRACT and thereafter on an annual basis for the duration of this CONTRACT.

The CONSULTANT shall provide the COMMISSION any and all documentation necessary to prove compliance with the insurance requirements of this CONTRACT as such documentation is requested, from time to time, by the COMMISSION.

If the CONSULTANT fails to procure or maintain required insurance, the COMMISSION may immediately elect to terminate this CONTRACT or, at its discretion, procure or renew such insurance and pay any and all premiums in connection therewith, and all monies so paid by the COMMISSION shall be repaid by the CONSULTANT to the COMMISSION upon demand, or the COMMISSION may offset the cost of the premiums against any monies due to the CONSULTANT from the COMMISSION.

ARTICLE XI. COVENANT AGAINST CONTINGENT FEES AND LOBBYING

The CONSULTANT shall comply with the relevant requirements of all federal, state or local laws. The CONSULTANT warrants that it has not employed or retained any company or person, other than a bona fide employee working solely for the CONSULTANT, to solicit or secure this CONTRACT, and that it has not paid or agreed to pay any company or person, other than a bona fide employee working solely for the CONSULTANT, any fee, commission, percentage, brokerage fee, gifts or any other consideration contingent upon or resulting from the award or making of this CONTRACT. The CONSULTANT warrants that it shall not contribute any money, gift or gratuity of any kind, either directly or indirectly to any employee of the COMMISSION, or to any employee of the MDOT. For breach or violation of this warranty, the COMMISSION shall have the right to annul this CONTRACT without liability, and the CONSULTANT

If, prior to the satisfactory completion of the SERVICES under this CONTRACT, the COMMISSION materially alters the scope, character, complexity or duration of the SERVICES from those required under this CONTRACT, a supplemental agreement may be executed between the parties. Also, a supplemental agreement may be negotiated and executed between the parties in the event that both parties agree the CONSULTANT'S compensation should be increased due to an increase in the nature, scope or amount of work necessary to properly provide the SERVICES required on any particular phase or project begun hereunder.

Oral agreements or conversations with the COMMISSION, any individual member of the COMMISSION, officer, agent, or employee of MDOT, either before or after execution of this CONTRACT, shall not affect or modify any of the terms or obligations contained in this CONTRACT. All modifications to this CONTRACT, amendments or addenda thereto must be submitted in writing and signed by the parties thereto before the modifications, amendments, or addenda become effective.

The CONSULTANT may not begin work on any modifications, amendments, or addenda prior to receiving a Notice to Proceed.

Minor changes in the proposal which do not involve changes in the contract maximum not to exceed amount, extensions of time or changes in the goals and objectives of this CONTRACT may be made by written notification of such change by either the MDOT or the CONSULTANT to the other party, and shall become effective upon written acceptance thereof (i.e. letter agreement).

The CONSULTANT shall pay all retainage owed to the subconsultant for satisfactory completion of the accepted work within 15 days after receipt of payment. If the CONSULTANT fails to comply with these requirements, the CONSULTANT may be subject to those sanctions listed in Exhibit 10.

WORK MADE FOR HIRE**

The CONSULTANT agrees that all reports, documents, computer information and access, software, drawings, studies, notes, maps and other data and products, prepared by and for the COMMISSION under the terms of this CONTRACT shall become and remain the property of the COMMISSION upon creation and shall be delivered to the Commission upon termination or completion of work, or upon request of the COMMISSION, regardless of any claim or dispute between the parties. All such data and products shall be delivered within thirty (30) days of receipt of a written request by the COMMISSION.

The CONSULTANT and the COMMISSION intend and agree that this CONTRACT to be a contract for services and each party considers the products and results of the services to be rendered by the CONSULTANT hereunder, including any and all material produced and/or delivered under this CONTRACT (the "Work"), to be a "work made for hire" under U.S. copyright and all applicable laws. The CONSULTANT acknowledges and agrees that the COMMISSION owns all right, title, and interest in and to the Work including, without limitation, the copyright thereto and all trademark, patent, and all intellectual property rights thereto.

If for any reason the Work would not be considered a work made for hire under applicable law, or in the event this CONTRACT is determined to be other than a contract or agreement for a work made for hire, the CONSULTANT does hereby transfer and assign to the COMMISSION, and its successors and assigns, the entire right, title, and interest in and to any Work prepared hereunder including, without limitation, the following: the copyright and all trademark, patent, and all intellectual property rights in the Work and any registrations and copyright, and/or all other intellectual property, applications relating thereto and any renewals and extensions thereof; all works based upon, derived from, or incorporating the Work; all income, royalties, damages, claims, and payments now or hereafter due or payable with respect thereto; all causes of action, either in law or in equity, for past, present, or future infringement based on the copyrights and/or all other intellectual property; all rights, including all rights to claim priority, corresponding to the foregoing in the United States and its territorial possessions and in all foreign countries. The CONSULTANT agrees to execute all papers and perform such other proper acts as the COMMISSION may deem necessary to secure for the COMMISSION or its designee the rights herein assigned.

The COMMISSION may, without any notice or obligation of further compensation to the CONSULTANT, publish, re-publish, anthologize, use, disseminate, license, or sell the Work in any format or medium now known or hereafter invented or devised. The COMMISSION'S rights shall include, without limitation, the rights to publish, re-publish, or license a third party to publish, re-publish, or sell the Work in print, on the World Wide Web, or in any other electronic or digital format or database now known or hereafter invented or devised, as a separate isolated work or as part of a compilation or other collective work, including a work different in form from the first publication, and to include or license a third party to include the Work in an electronic or digital database or any other medium or format now known or hereafter invented or devised.

The CONSULTANT shall obtain any and all right, title, and interest to all input and/or material from any third party subconsultant, or any other party, who may provide such input and/or material to any portion of the Work so that said right, title, and interest, and all such interest in and to the Work including, without limitation, the copyright thereto and all trademark, patent, and all intellectual property rights thereto, shall belong to the COMMISSION.

For any intellectual property rights currently owned by third parties or by the CONSULTANT and not subject to the terms of this CONTRACT, the CONSULTANT agrees that it will obtain or grant royalty-free, nonexclusive, irrevocable license(s) for or to the COMMISSION at no cost to the COMMISSION to

use all copyrighted or copyrightable work(s) and all other intellectual property which is incorporated in the material furnished under this CONTRACT. Further, the CONSULTANT warrants and represents to the COMMISSION that it has obtained or granted any and all such licensing prior to presentation of any Work to the COMMISSION under this CONTRACT. This obligation of the CONSULTANT does not apply to a situation involving a third party who enters a license agreement directly with the COMMISSION.

The CONSULTANT warrants and represents that it has not previously licensed the Work in whole or in part to any third party and that use of the Work in whole or in part will not violate any rights of any kind or nature whatsoever of any third party. The CONSULTANT agrees to indemnify and hold harmless the COMMISSION, its successors, assigns and assignees, and its respective officers, directors, agents and employees, from and against any and all claims, damages, liabilities, costs and expenses (including reasonable attorneys' fees), arising out of or in any way connected with any breach of any representation or warranty made by CONSULTANT herein.

ARTICLE XVI. PUBLICATION AND PUBLICITY

The CONSULTANT agrees that it shall not for any reason whatsoever communicate to any third party in any manner whatsoever concerning any of its CONTRACT work product, its conduct under the CONTRACT, the results or data gathered or processed under this CONTRACT, which includes, but is not limited to, reports, computer information and access, drawings, studies, notes, maps and other data prepared by and for the CONSULTANT under the terms of this CONTRACT, without prior written approval from the COMMISSION, unless such release or disclosure is required by judicial proceeding. The CONSULTANT agrees that it shall immediately refer any third party who requests such information to the COMMISSION and shall also report to the COMMISSION any such third party inquiry. This Article shall not apply to information in whatever form that comes into the public domain, nor shall it restrict the CONSULTANT from giving notices required by law or complying with an order to provide information or data when such order is issued by a court, administrative agency or other authority with proper jurisdiction, or if it is reasonably necessary for the CONSULTANT to defend itself from any suit or claim.

All approved releases of information, findings, and recommendations shall include a disclaimer provision and all published reports shall include that disclaimer on the cover and title page in the following form:

ARTICLE XIX. WAIVER

Failure of either party hereto to insist upon strict compliance with any of the terms, covenants, and conditions hereof shall not be deemed a waiver or relinquishment of any similar right or power hereunder at any

subsequent time, or of any other provision hereof, nor shall it be construed to be a modification of the terms of this CONTRACT.

ARTICLE XX. SEVERABILITY

If any terms or provisions of this CONTRACT are prohibited by the laws of the State of Mississippi or declared invalid or void by a court of competent jurisdiction, the remainder of this CONTRACT shall not be affected thereby and each term and provision of this CONTRACT shall be valid and enforceable to the fullest extent permitted by law.

ARTICLE XXIII. AVAILABILITY OF FUNDS

It is expressly understood and agreed that the obligation of the COMMISSION to proceed under this CONTRACT is conditioned upon the availability of funds, the appropriation of funds by the Mississippi Legislature, and the receipt of state and/or federal funds. If, at any time, the funds anticipated for the fulfillment of this CONTRACT are not forthcoming or are insufficient, either through the failure of the federal government to provide funds or of the State of Mississippi to appropriate funds or the discontinuance or material alteration of the program under which funds were provided, or if funds are not otherwise available to the COMMISSION for the performance of this CONTRACT, the COMMISSION shall have the right, upon written notice to the CONSULTANT, to immediately terminate or stop work on this CONTRACT without damage, penalty, cost, or expense to the COMMISSION of any kind whatsoever. Prior to the COMMISSION'S taking official action to stop work under this CONTRACT, the Executive Director of MDOT may notify the CONSULTANT, in writing, of MDOT's intentions to ask the COMMISSION to stop work under this CONTRACT. Upon notice from the Executive Director of MDOT, CONSULTANT shall suspend all activities under this CONTRACT, pending final action by the COMMISSION.

- B. **Cancellation or Expiration of the Order.** If a stop work order issued under this clause is canceled at any time during the period specified in the order, or if the period of the order or any extension thereof expires, the CONSULTANT shall have the right to resume work. If the COMMISSION decides that it is justified, an appropriate adjustment may be made in the delivery schedule. If the stop work order results in an increase in the time required for or in the CONSULTANT'S cost properly allocable to the performance of any part of this CONTRACT and the CONSULTANT asserts a claim for such an adjustment within 30 days after the end of the period of work stoppage, an equitable adjustment in this CONTRACT may be made by written modification of this CONTRACT as provided by the terms of this CONTRACT.

- C. **Termination of Stopped Work.** If a stop work order is not canceled and the work covered by such order is terminated, the CONSULTANT may be paid for services rendered prior to the Termination. In addition to payment for services rendered prior to the date of termination, the COMMISSION shall be liable only for the costs, fees, and expenses for demobilization and close out of this CONTRACT, based on actual time and expenses incurred by the CONSULTANT in the packaging and shipment of all documents covered by this CONTRACT to the COMMISSION. In no event shall the COMMISSION be liable for lost profits or other consequential damages.

Direct salaries are those amounts actually paid to the person performing the Services which are deemed reasonably necessary by the COMMISSION for the advancement of the Scope of Work. Salaries for officers, principals or partners shall not increase at a rate in excess of that for other employees. Overhead consist of employee fringe benefits and that part of CONSULTANT'S allowable indirect costs attributable to the Contract.

If requested by MDOT, all charges for services must be substantiated by supporting data, i.e. certified time sheets, daily logs, check stubs, pay vouchers, etc.

SCHEDULE OF MAXIMUM RATES, EXPENSES & FEES:

The following schedule of rates for services will not be exceeded for all work under this CONTRACT:

MDOT APPROVED OVERHEAD:

If requested by MDOT, The current overhead rates shall be submitted by the CONSULTANT and approved by the MDOT within nine (9) months of the end of the CONSULTANT's fiscal period. The current overhead rate, as defined in this CONTRACT, shall be the overhead rate for the CONSULTANT's most recent previous fiscal period. The CONSULTANT's failure to provide a current overhead rate within nine (9) months of the end of the CONSULTANT's fiscal period may be deemed ineligible for further CONTRACTS or Supplemental Agreements by MDOT. All overhead rates submitted to MDOT for approval shall comply with the current edition of the AASHTO Audit Guide, as amended. In addition, the CONSULTANT shall submit written certification in accordance with FHWA Order 4470.1A, as amended, that the indirect cost rate submitted does not include any costs which are expressly unallowable and the indirect cost rate was established only with allowable costs in accordance with the applicable cost principles contained in the Federal Acquisition Regulations (FAR) of 48 CFR part 31.

The current overhead rate shall be used to calculate Costs under this CONTRACT and in the preparation of costs estimates for this CONTRACT and in the preparation of Supplemental Agreements. The estimated FCCM for cost proposals, Supplemental Agreements, and invoices must be specially identified and distinguished from the other costs. During the performance of this CONTRACT, the CONSULTANT, for itself, its assignees and successor-in-interest (hereinafter referred to as the "CONSULTANT") agrees as follows:

1. Compliance with Regulations: The CONSULTANT will comply with the Regulations of the COMMISSION, relative to nondiscrimination in Federally-assisted programs of the U. S. Department of Transportation (Title 49, Code of Federal Regulations, Part 21, hereinafter referred to as the "Regulations"), which are herein incorporated by reference and made a part of this CONTRACT.

2. Nondiscrimination: The CONSULTANT, with regard to the work performed by it after award and prior to completion of the contract work, will not discriminate on the grounds of race, religion, color, sex, national origin, age or disability in the selection and retention of subconsultants including procurement of materials and leases of equipment. The CONSULTANT will not participate either directly or indirectly in the discrimination prohibited by Section 21.5 of the Regulations, including employment practices when this CONTRACT covers a program set forth in Appendix B of the Regulations. In addition, the CONSULTANT will not participate either directly or indirectly in discrimination prohibited by 23 C.F.R. 710.405(b).

3. Solicitations for Subcontracts. Including Procurement of Materials and Equipment: In all Solicitations, either by competitive bidding or negotiation made by the CONSULTANT for work to be performed under a subcontract, including procurement of materials or equipment, each potential subconsultant or supplier shall be notified by the CONSULTANT of the CONSULTANT'S obligations under this CONTRACT and the Regulations relative to nondiscrimination on the grounds of race, religion, color, sex, national origin, age or disability.

4. Anti-kick back provisions: All CONTRACTS and subcontracts for construction or repair shall include a provision for compliance with the Copeland "Anti-Kick Back" Act (18 U.S.C. 874) as supplemented in Department of Labor regulations (29 CFR, Part 3). This Act provides that each CONSULTANT or subconsultant shall be prohibited from inducing, by any means, any person employed in the construction, completion, or repair of public work, to give up any part of the compensation to which he is otherwise entitled. The CONSULTANT shall report all suspected or reported violations to the COMMISSION.

5. Davis Bacon Act: When required by the federal grant program legislation, all construction contracts awarded to contractors and subcontractors in excess of \$2,000 shall include a provision for compliance with the Davis-Bacon Act (40 U.S.C. 276a to a-7) and as supplemented by Department of Labor regulations (29 CFR, Part 5). Under this Act, contractors shall be required to pay wages to laborers and mechanics at a rate not less than the minimum wages specified in a wage determination made by the Secretary of Labor. In addition,

contractors shall be required to pay wages specified in a wage determination made by the Secretary of Labor. In addition, contractors shall be required to pay wages specified in a wage determination made by the Secretary of Labor. In addition, contractors shall be required to pay wages not less often than once a week.

6. Contract Work Hours and Safety Standards Act: Where applicable, all contracts awarded by contractors and subcontractors in excess of \$2,000 for construction contracts and in excess of \$2,500 for other contracts which involve the employment of mechanics or laborers shall include a provision for compliance with sections 103 and 107 of the Contract Work Hours and Safety Standards Act (40 U.S.C. 327-330) as supplemented by Department of Labor Regulations (29 CFR, Part 5). Under section 103 of the Act, each contractor shall be required to compute the wages of every mechanic and laborer on the basis of a standard work week of 40 hours. Work in excess of the standard work week is permissible provided that the worker is compensated at a rate of not less than 1 1/2 times the basic rate of pay for all hours worked in excess of 40 hours in the work week. Section 107 of the Act is applicable to construction work and provides that no laborer or mechanic shall be required to work in surroundings or under working conditions which are unsanitary, hazardous, or dangerous to his health and safety as determined under construction, safety, and health standards promulgated by the Secretary of Labor. These requirements do not apply to the purchases of supplies or materials or articles ordinarily available on the open market, or contracts for transportation or transmission of intelligence.

7. Clean Air Act: Compliance with all applicable standards, orders, or requirements issued under section 306 of the Clear Air Act (42 U.S.C. 1857 (h)), Section 508 of the Clean Water Act (33 U.S.C. 1368), Executive Order 11738, and Environmental Protection Agency regulations (40 CFR Part 15) (Contracts and subcontracts in amounts in excess of \$100,000).

8. Energy Policy and Conservation Act: Mandatory standards and policies relating to energy efficiency which are contained in the state energy conservation plan issued in compliance with the Energy Policy and Conservation Act (Pub. L. 94-163).

9. Disadvantaged Business Enterprises (DBE): It is the policy of the MDOT to comply with the requirements of 49 C.F.R. 26, to prohibit unlawful discrimination, to meet it's goal for DBE participation, to meet that goal whenever possible by race-neutral means, to create a level playing field, and to achieve that amount of DBE participation that would be obtained in an non-discriminatory market place. To meet that objective in any United States Department of Transportation assisted contracts, the COMMISSION and the CONSULTANT shall comply with the "Mississippi Department of Transportation's Disadvantage Business Enterprise Programs For United States Department Of Transportation Assisted Contracts".

Neither the CONSULTANT, nor any sub-recipient or sub-consultant shall discriminate on the bases of race, color, national origin, or sex in the performance of this CONTRACT. The CONSULTANT shall carry out applicable requirements of 49 C.F.R. 26 in the award and administration of United States Department of Transportation assisted contracts. Failure of the CONSULTANT to carry out those requirements is a material breach of this CONTRACT which may result in the termination of this CONTRACT or such other remedies as the MDOT deems appropriate.

10. Worker Visibility: All workers within the right-of-way of a Federal-aid highway who are exposed either to traffic (vehicles using the highway for the purposes of travel) or to construction equipment within the work area shall wear high-visibility safety apparel – personal protective safety clothing that is intended to provide conspicuity during both daytime and nighttime usage, and that meets the Performance Class 2 or 3 requirements of the ANSI/ISEA 107–2004 publication entitled "American National Standard for High-Visibility Safety Apparel and Headwear" – for compliance with 23 CFR, Part 634.

EXHIBIT 10

DISADVANTAGED BUSINESS ENTERPRISE, 49 CFR PART 26 (AS ADMENDED)

1. THE DBE GOAL

It is the policy of the MDOT to comply with the requirements of 49 C.F.R. 26, to prohibit unlawful discrimination, to meet its goal for DBE participation, to meet that goal whenever possible by race-neutral means, to create a level playing field, and to achieve that amount of DBE participation that would be obtained in a non-discriminatory market place. To meet that objective in any United States Department of Transportation assisted contracts, the COMMISSION and the CONSULTANT shall comply with the "Mississippi Department of Transportation's Disadvantage Business Enterprise Programs For United States Department Of Transportation Assisted Contracts".

For purposes of this provision the following definitions will apply:

"Disadvantaged Business" means a small business concern: (a) which is at least 51 percent owned by one or more socially and economically disadvantaged individual(s) or in the case of any publicly owned business, at least 51 percent of the stock of which is owned by one or more socially and economically disadvantaged individual(s); and (b) whose management and daily business operations are controlled by one or more of the socially and economically disadvantaged individual(s) who own it. It is important to note that the business owners themselves must control the operations of the business. Absentee ownership or title ownership by an individual who does not take an active role in controlling the business is not consistent with eligibility as a DBE under CFR 49 Part 26.71.

Neither the CONSULTANT, nor any sub-recipient or sub-consultant shall discriminate on the basis of race, color, national origin, or sex in the performance of this CONTRACT. The CONSULTANT shall carry out applicable requirements of 49 C.F.R. 26 in the award and administration of United States Department of Transportation assisted contracts. The CONSULTANT and all Subconsultants shall take all necessary and reasonable steps to ensure that DBE firms can compete for and participate in the performance of a portion of the work in this CONTRACT and shall not discriminate on the basis of race, color, national origin, religion or sex. Failure of the CONSULTANT to carry out those requirements is a material breach of this CONTRACT which may result in the termination of this CONTRACT or such other remedies as the MDOT deems appropriate.

The goal for participation by DBEs shall be 3%. The MDOT will communicate to the CONSULTANT the DBE goal prior to submission of the CONTRACT. The CONSULTANT shall exercise all necessary and reasonable steps to ensure that participation is equal to or exceeds the goal established for the CONTRACT.

CONSULTANTS may visit MDOT's website, www.gomdot.com, to view a complete list of "Certified DBE Firms" which have been certified as such by the Mississippi Department of Transportation and other Unified Certification Partners (UCP).

The DBE firm must be on the Department's list of "Certified DBE firms" as listed on MDOT's website, www.gomdot.com and approved by MDOT to count towards meeting the DBE goal.

When a CONTRACT requires a zero percent (0%) DBE goal, the CONSULTANT still has the responsibility to take all necessary and reasonable steps to ensure that DBE firms can compete for and participate in the performance of the work in the CONTRACT. In this case, all work performed by a certified DBE firm is considered to be a "race neutral" measure and the Department will receive

DBE credit towards the overall State goals when the DBE firm is paid for their work. If the Prime CONSULTANT is a certified DBE firm, the Department can receive DBE credit only for the work performed by the CONSULTANT's work force or any work subcontracted to another DBE firm. Work performance by a non-DBE Subconsultant is not eligible for DBE credit.

2. PARTICIPATION / DBE CREDIT

The CONSULTANT is hereby advised that the participation of a DBE Firm cannot be counted towards the CONSULTANT's DBE goal until the amount being counted towards the goal has been paid to the DBE. Participation shall be counted toward meeting the goal in A CONTRACT as follows:

- (1) If the CONSULTANT is a certified DBE firm, only the value of the work actually performed by the DBE Prime can be counted towards the CONTRACT goal, along with any work subcontracted to a certified DBE firm.
- (2) If the CONSULTANT is not a DBE, the work subcontracted to a certified DBE consultant will be counted towards the goal.
- (3) The CONSULTANT may count toward the goal a portion of the total dollar value of a CONTRACT with a joint venture eligible under the standards of this provision equal to the percentage of the DBE partner in the joint venture.
- (4) Expenditures to DBEs that perform a commercially useful function (CUF) may be counted toward the goal. A business is considered to perform a CUF when it is responsible for the execution of a distinct element of the work and carries out its responsibilities by actually performing, managing, and supervising the work involved.
- (5) The CONSULTANT may count 100% of the expenditures for materials and supplies obtained from certified DBE suppliers and manufacturers that produce goods from raw materials or substantially alters them for resale provided the suppliers and manufacturers assume the actual and contractual responsibility for the provision of the materials and supplies. The CONSULTANT may count 60 percent of the expenditures to suppliers that are not manufacturers, provided the supplier performs a CUF in the supply process. Within 30 days after receipt of the materials, the CONSULTANT shall furnish to the DBE Coordinator invoices from the certified supplier to verify the DBE goal.
- (6) Any work that a certified DBE firm subcontracts or sub-subcontracts to a non-DBE firm will not count towards the DBE goal.
- (7) Only the dollars actually paid to the DBE firm may be counted towards the DBE goal.

3. REQUIRED DBE FORMS

All DBE Forms are available from the MDOT Office of Civil Rights or by visiting the www.gomdot.com website. The CONSULTANT shall complete all DBE Forms, verifying DBE participation and payment to any DBEs assigned to the CONTRACT. These forms include the following:

1. OCR-481-C – The CONSULTANT shall submit this form to the MDOT CSU prior to the execution of a CONTRACT. This form reports the commitments made to the DBE firms. This form shall be approved by MDOT prior to execution of the CONTRACT.

2. OCR-485-C - The CONSULTANT shall submit this form to the MDOT CSU prior to the execution of a CONTRACT. This form will list all of the firms with subcontracts on prime contracts. This form shall be approved by MDOT prior to execution of the CONTRACT.
3. OCR-487-C – This form shall be completed by the CONSULTANT only if the CONSULTANT is a certified DBE firm. The CONSULTANT shall submit this form to the MDOT CSU for approval by MDOT prior to execution of the CONTRACT. This form is used in determining the exact percentage of DBE credit for the specified CONTRACT.
4. OCR-484-C – Each month, the CONSULTANT shall submit this Form to the MDOT Consultant Services Unit (CSU) along with the Invoice. This form certifies payments to all Subcontractors and shows all firms even if the CONSULTANT has paid no monies to the firm during that estimate period (negative report).
5. OCR-482-C – The CONSULTANT shall submit this form to the MDOT CSU along with the FINAL Invoice. This form certifies payments to all DBE Subcontractors over the life of a CONTRACT. This form shall be approved by MDOT prior to final payment.
6. OCR-483-C – The CONSULTANT will complete this form when the DBE is 50% complete or when a problem is discovered or suspected. Evaluations reported on this form are used to determine whether or not the DBE firm is performing a CUF. DBE credit may be disallowed and/or other sanctions imposed if it is determined the DBE firm is not performing a CUF. This form should be returned to the DBE Coordinator (Office of Civil Rights)

4. REPLACEMENT OF DBE FIRMS

If a DBE Subconsultant cannot perform satisfactorily, and this causes the OCR-481C commitment to fall below the goal established in the CONTRACT, the CONSULTANT shall take all necessary reasonable steps to replace the DBE with another certified DBE Subconsultant or submit information to satisfy the MDOT that adequate good faith efforts have been made to replace the DBE. The replacement DBE must be a DBE who was on the MDOT's list of "Certified DBE Contractors" when the CONTRACT was executed, and who is still active. All DBE replacements must be approved by the MDOT.

Under no circumstances shall the Prime or any Subconsultant perform the DBE's work (as shown on the OCR-481-C) without prior written approval from the MDOT. See "Sanctions" at the end of this Exhibit for penalties for performing DBE's work.

When a CONSULTANT proposes to substitute/replace/terminate a DBE that was originally named on the OCR-481, the CONSULTANT must obtain a release, in writing, from the named DBE explaining why the DBE Subconsultant cannot perform the work. A copy of the original DBE's release must be attached to the CONSULTANT's written request to substitute/replace/terminate along with appropriate Subcontract Forms for the substitute/replacement/terminated Subconsultant, all of which must be submitted to the DBE Coordinator and approved, in advance, by MDOT.

To demonstrate good faith efforts to replace any DBE that is unable to perform successfully, the CONSULTANT must document steps taken to subcontract with another certified DBE Consultant. Such documentation shall include no less than the following:

(1) Proof of written notification to certified DBE Contractors by certified mail that their interest is solicited in subcontracting the work defaulted by the previous DBE or in subcontracting other items of work in the CONTRACT.

(2) Efforts to negotiate with certified DBE Consultants for specific items shall include as a minimum:

- (a) The name, address, and telephone number of each DBE contacted;
- (b) A description of the information provided about the plans and specifications for those portions of the work to be subcontracted; and
- (c) A statement of why agreements were not reached.

(3) For each DBE contacted that was rejected as unqualified, the reasons for such conclusion.

(4) Efforts made to assist each DBE that needed assistance in obtaining bonding or insurance required by the CONSULTANT.

Failure of the CONSULTANT to demonstrate good faith efforts to replace a DBE Subconsultant that cannot perform as intended with another DBE Subconsultant, when required, shall be a breach of CONTRACT and may be just cause to be disqualified from further selections for a period of up to 12 months after notification by certified mail.

5. DEFAULT

The goal established in the CONTRACT by MDOT as part of this Exhibit must be met to fulfill the terms of the CONTRACT and CONTRACT. The CONSULTANT may list DBE Subconsultants and items that exceed MDOT's goal established in the CONTRACT, but should unforeseen problems arise that would prevent a DBE from completing its total commitment percentage, the CONSULTANT will meet the terms of the CONTRACT as long as it meets or exceeds the Goal established in the CONTRACT.

6. SANCTIONS

The MDOT has the option to enforce any of the following penalties for failure of the CONSULTANT to fulfill the DBE goal as stated on the OCR-481 form or any violations of the DBE program guidelines:

- (1) Disallow credit towards the DBE goal
- (2) Withhold invoice payments
- (3) Deduct from the invoice an amount equal to the unmet portion of the DBE goal
- (4) Recover an amount equal to the unmet CONTRACT goal
- (5) Prohibit the CONSULTANT involved from being considered on Mississippi Department of Transportation projects for up to 12 months.
- (6) Deduct from the Consultant's final estimate all or any combination of the following.
