

IMPROVEMENTS TO Interstate 55  
Lincoln and Copiah Counties, Mississippi

State Project Nos.  
DB/IM-0055-02(228)/105444-305  
DB/IM-0055-02(228)/105444-306

Answers to questions received prior to July 30, 2012

- 1. Since the Pike and Lincoln County Design Build low bidder has not yet been selected. Can there be some duplication of positions listed in the SOQ, Which would have to be changed if one were awarded The Pike and Lincoln project?**

The Project Director and the Lead Design Engineer may be the same individuals for both projects. The Contractor may submit the same Construction and Environmental Managers in the Lincoln/Pike County Proposal and the Lincoln/Copiah SOQ. However, in the event the Contractor who is awarded the Lincoln/Pike Project:

- (a) is also short listed for the Lincoln/Copiah Project
- (b) and has submitted the same individuals for the Construction and/or Environmental Managers on both projects,

the Contractor shall then request MDOT approval of a substitution during the RFP process of the Lincoln/Copiah Project to formally change the duplicate Environmental and/or Construction Managers. This process will be similar to Item 5 page 9 in the Pike/Lincoln Request For Proposal, Key Individual.
