

ADDENDUM #1 – RFQ- A DESIGN-BUILD PROJECT- Improvements to Interstate 55

Date: April 1, 2013

County: Pike and Lincoln Counties

Project Description: A Design-Build Project- Improvements to Interstate 55 – Pike and Lincoln Counties.

Statement of modifications:

The purpose of this addendum is to make the following changes:

- 1. To modify the first paragraph located on page 6 of 15 of original RFQ dated March 11, 2013, under heading “Submittal Format” to read as stated below with changes tracked.**

“The SOQ must be submitted according to the Milestone Schedule located at the end of this document. The recommended length of the SOQ is no more than twenty-five (25), double-spaced, 8.5 inch x 11 inch pages with margins of at least one inch on all four sides, typed on one side only, excluding appendices. All text information in the 25-page limit should be shown in a readable font, size 12 points or larger. No more than five pages may be 11” by 17”, but they shall count as two sheets each against the recommended 25-page maximum. Headers, footers, charts, and other graphics may be provided in a different font type and size providing they are legible. Section dividers are not counted as part of the recommended 25-page maximum. A single-page cover letter, and a table of contents, ~~and Responder Information Form~~ will not be counted as part of the recommended 25-page maximum. Resumes, licenses, certifications and the SF 330 Part II may be provided in the appendices and will not count against the recommended 25-page maximum. These recommendations and other formatting instructions indicated in this RFQ will be considered when evaluating the quality of the firm’s SOQ.”

This Addendum is effective this date and shall be used in the selection of any firms interested in submitting proposals for this Project.
