Proposed Improvements to I-59 in Pearl River, Forrest, & Lamar Counties MDOT Project Nos. DB/IM-9999-06(016)/106594-301000, 302000, 303000

RFQ Question received as of August 28, 2013:

1. QUESTION: Do the non-construction members of the team need to include their safety programs?

ANSWER: As indicated in Section IV.3 of the RFQ, a description of each construction firm's safety program should be included in the SOQ. It is expected that personnel not working for the construction firm will conform to the construction firm's job site safety program when visiting an active job site.
