

DESIGN BUILD BRIDGE WIDENING PROJECT
I-55 Lincoln County IM-0055-01(097)

Question 4. The RFQ for both projects currently active state that “a separate Project Director, Construction Manager, and Quality Control Manager must be submitted for each project.” Does this preclude the Project Director on one project from being the Construction Manager on the other project and the Construction Manager on one project from being the Project Director on the other?

Answer 4. Yes.
