

MORE THAN MEETS THE EYE

The Importance of Routine Eye Exams

SEE YOURSELF HEALTHY

Many simple vision problems go undiagnosed—problems that could be detected by an eye exam and easily corrected. Superior Vision eye care providers can help members with vision and eye concerns—from eye strain and blurred vision to diseases and headaches.

ALLOW US TO OPEN YOUR EYES

Some systemic diseases and health conditions can also be diagnosed through a comprehensive eye exam. Early detection can help lessen some of the long-term effects and help preserve vision. Eye exams may diagnose:

- Cancer
- Diabetes
- High blood pressure
- High cholesterol
- Cataracts
- Glaucoma
- Macular degeneration
- Retinal detachment

KEEPING AN EYE OUT FOR YOU

A Superior Vision eye care provider can offer eye care tips and solutions for common vision and eye issues, including:

- Computer Vision Syndrome
- UV protection of corneas and retinas
- Eye safety (work and play)
- Impact of glare on your eyes
- The effect of standard medications on eyesight

80%

Refractive Surgery

Superior Vision has a nationwide network of refractive surgeons and leading LASIK networks who offer members a discount. These discounts range from 15%-50%, and are the best possible discounts available to Superior Vision.

The Plan discount features are not insurance.

All allowances are retail; the member is responsible for paying the provider directly for all non-covered items and/or any amount over the allowances, minus available discounts. These are not covered by the plan.

Discounts are subject to change without notice.

Disclaimer: All final determinations of benefits, administrative duties, and definitions are governed by the Certificate of Insurance for your vision plan. Please check with your Human Resources department if you have any questions.
