

## General Information

The Maintenance Permit Forms are made available via the MDOT website for use in developing **Right-Of-Way Encroachment Permits** and **Outdoor Advertising Permits**. The forms may also be obtained by contacting one of MDOT's six (6) District Offices (see list of phone numbers and mailing addresses).

### **Download instructions:**

The Maintenance Permit Forms are in Adobe Acrobat format. If you do not have the Adobe Acrobat Reader installed on your computer, you will need to do this first. You may print the form and then fill it out, or fill it out online and then print.

### **Instructions for submitting applications:**

All completed permit applications must be submitted to the District Office (see list of phone numbers and mailing addresses) charged with maintenance responsibilities in the area of the proposed permit. If the permit application includes more than one District Office area of responsibility, a separate permit must be prepared for each affected District Office. **Any questions regarding the requirements for completing the forms listed on this web page are to be directed to the appropriate District Office.**

**If you do not know the District Office, continue to the next page to view a Mississippi county and district map, and appropriate District Offices' addresses and telephone numbers.**

**District 1**

P. O. Box 2060  
Tupelo, MS 388-2060  
Phone: (662) 842-1122
