★ AAH Group Spotlight ★ Finch-Henry Job Corp Center

MDOT would like to recognize the Finch-Henry Job Corp Center in Batesville. This group has been with MS AAH since 1988. Volunteers adopted a section on Highway 6. Last year this group picked up over 220 bags of litter. A huge shout out to this outstanding group!

Boy Scout Troop #64 "Pick It Up" on Highway 433 in the Ebenezer area of Holmes County.

Please return Your AAH activity Reporting Form After each Pickup. Mail to your District Anti-Litter Coordinator. For an online form go to: gomdot.com/home/thinkgreen
