★ AAH Group Spotlight ★ Adams County Natchez Trace Kiwanis

MDOT would like to recognize the Adams County Natchez Trace Kiwanis. This active group even purchased a logo sign for their section and had the Kiwanis emblem printed on their vests. During their last pickup in March, 24 participants picked up 17 bags of litter on their adopted section of Hwy. 84 in Natchez.

A Huge Shout Out to this Outstanding Group!

Congratulations MS AAH Groups of the Quarter!

MDOT Holds Annual Trash Bash

Trash Bash an annual, one-day event held in each of the MDOT districts and Jackson. Its purpose is to draw public attention to the detrimental effects of highway litter.

Groups of MDOT volunteers along with Keep Mississippi Beautiful (KMB) affiliates pick up litter from highly visible locations along our state's highway system. KMB also provides volunteers with a complimentary t-shirt and cash prizes for lucky certificate finders. Last year MDOT had approximately 2,000 employees participate with over 5,334 bags picked up.
