

Local Public Agency (LPA) Project Development Manual Training

Description – This training will help Local Agencies successfully navigate the policies, procedures, and practices of both the MDOT, and the Federal-Aid Highway Program. MDOT LPA Division wants to ensure that Local Public Agencies can successfully meet the requirements of state and federal transportation funds for their transportation projects. LPAs must have sufficient knowledge of state and federal regulations to take full advantage of available funding resources. All LPA project sponsors and their consultants will be required to follow when implementing a project to take the core training to be qualified to participate in the state and federal

Registration Information – This course offering through MDOT LTAP Center is intended primarily for local agencies and consultants who wish to perform work on LPA projects. There is no registration fee associated with this training. **Lunch is provided.** Substitutions may be made at any time. Any registrant requiring a reasonable accommodation during training (i.e., mobility or access) should contact Mississippi LTAP prior to the course date so the appropriate arrangements can be made.

Who Should Attend? - LPAs and Consultants that are interested in working on federally funded LPA projects.

Instructors: MDOT Module Team.
