The image contains a drawing and text related to the construction of a chain-link fence. The text provides specifications for the fence, including the types of materials, dimensions, and installation details. Here is a summary of the key points:

- **Fence Height**: 1.8 m
- **Post Types**:
  - Line Post
  - Corner or Brace Post
- **Barbed Wire**:
  - Size: 3.76 mm
  - Spacing: 600 mm O.C.
- **Tension Wire**:
  - Size: 4.50 mm
  - Spacing: 300 mm O.C.
- **Concrete Anchor**:
  - Size: 3000 mm
- **GALV. Steel Line Post**
- **GALV. Steel Corner Post**
- **GALV. Steel Brace Post**
- **Concrete Anchor** (not a pay item)

The drawing includes various views of fence construction, including end elevations, line and corner bay details, and intermediate brace bay. The text also includes tables for fence placement, post schedules, and general notes on installation and usage. The document is part of the Mississippi Department of Transportation specifications.
