Re: Precast Box Culverts

Dear Mr. Quin,

This is to advise you that our company no longer has the manufacturing capabilities to produce a 4 foot rise by 4 foot span precast concrete box culvert. This size is listed on your standard drawing number 265 and has been used on few occasions by your department. All other box sizes listed on this drawing are still available.

Should you have any questions, please contact me.

Yours truly,

CHOCTAW, INC.
