

# MISSISSIPPI DEPARTMENT OF TRANSPORTATION

## *Inter-Departmental Memorandum*

TO: Squad Leaders

DATE: June 24, 1997

FROM: Steven W. Reeves *swr*  
Quality Control Engineer  
Roadway Design

SUBJECT OR PROJECT NO: Type A Silt Basins

INFORMATION COPY TO:

COUNTY:

Roadway Design Division Engineer  
✓ John Pickering  
Ray Balentine  
Roadway Design Section Engineers  
Active Consultants  
File

The Type A silt basin is not to be shown on plan/profile sheets or set up as a separate pay item on the Summary of Quantities sheets. The Type A Silt Basin may be used as necessary to control siltation but the cost of the installation, maintenance, materials and removal are to be absorbed in other items.

The number and location of Type A Silt Basins are to be as directed by the engineer. Please check the Special Design sheet, TEC-2, in our project plans to insure that this policy is indicated correctly.

If you have any questions or comments, please call my office.
