In response to Mr. John B. Pickering's December 1, 1998, request we hereby approve the English and Metric versions of the Roadway Design Standard Drawings for use on all Federal-aid projects.

We note that corrections to the English version Standard Drawings were transmitted by memorandum dated November 12, 1998, and corrections to the Metric version Standard Drawings were transmitted by memorandum dated December 18, 1998. These revisions are satisfactory and are also approved.

Please note that we are sending a copy of this letter directly to Mr. John B. Pickering, Roadway Design Division Engineer.

Sincerely yours,

Andrew H. Hughes
