The design memo dated December 18, 2000 contained an error. The pay item for CHANGEABLE MESSAGE SIGN should be as follows:

907-619-E3 CHANGEABLE MESSAGE SIGN per each.

907-630-R CHANGEABLE MESSAGE SIGN per each

Footnote:

Changeable message signs to become the property of the State at the end of project. Signs are to be picked up by state forces or delivered to project office as directed by the engineer.

The 619 pay item shall be used when changeable message sign is to be used as a temporary traffic control device and remain the property of the contractor.

The 630 pay item and the footnote shall be used when the changeable message sign is to be used as a traffic control device and become the property of the state.

If you have any questions, please advise.
