ROADWAY DESIGN

Date: May 27, 2001

To: District Engineers
State Construction Engineer
✓ Roadway Design Division Engineer
Research Engineer

From: State Planning Engineer
Ray Balentine *RB*

Subject: Traffic Counting Devices

The Planning Division is responsible for the installation, maintenance and collection of data from all traffic counting devices. Included, are all weigh-in-motion devices, automatic traffic recorders, and portable traffic recorders.

The Planning Division is the point of contact in the event of any problem or question concerning any of the devices, or any construction project that might affect these devices. The individual points of contact within the Planning Division are Carolyn Thornton and Vic Barber at 601-359-7685.
