Files

Starting with the March letting, several changes will be made to the specifications. These changes will affect the pay items shown below. Please check your pay item lists and any Summary of Quantities plan sheets that will be affected. Plans that have been small blued need not be revised for this change unless there is a revision required elsewhere.

Add the 907 prefix to all the pay item numbers shown below, both English and Metric versions.

209-A
234-A & B
306-A
321-A
403-A thru E
409-A
804-A thru H
815-E

If you have any questions, please advise.
