Subject: Title Sheet - Permit Block Change

This is to advise you that the Permits Block on the Title Sheet has been modified. This change is shown in the attached DGN files and should be incorporated in all plans that have not been "Small-Blued".

The revised Title Sheet Cell is included in the V8 update which we are currently loading In-House. This V8 Update will be delivered to consultants in the next 2-3 weeks.

Consultants receiving this email should forward this information to the appropriate personnel in your organization.
