

MISSISSIPPI DEPARTMENT OF TRANSPORTATION
Inter-Departmental Memorandum

TO: Design Team Leaders

DATE: March 25, 2008

FROM: Steven W. Reeves
Quality Control Engineer

SUBJECT OR PROJECT NO: Pay Item Changes

INFORMATION COPY TO:

COUNTY:

Roadway Design Division Engineer (Purvis)
Assistant Roadway Design Division Engineer (Reese)
Special Projects Engineer (Boteler)
Roadway Design Section Engineers
Consultants
RWD Files (Reeves)

Because of a change in specifications, we will need to add the "907" prefix to all 626 pay items on all future English projects. Metric projects already require the "907" prefix.

Section Engineers will need to inform any consultants whose projects contain these pay items. .

If you have any questions, please advise.
