

MISSISSIPPI DEPARTMENT OF TRANSPORTATION
Inter-Departmental Memorandum

TO: Design Team Leaders

DATE: November 12, 2009

FROM: Steven W. Reeves
Quality Control Engineer

SUBJECT OR PROJECT NO: Special Design Sheets
SDTCP-3 & SDTCP-4

INFORMATION COPY TO:

COUNTY:

Roadway Design Director (Reese)
Assistant Roadway Design Director (Mood)
Special Projects Engineer (Boteler)
Roadway Design Section Engineers
Construction Division (Funchess)
Consultants
RWD Files (Reeves)

The Special Design Sheets for extended period lane closures have been changed. These sheets now allow the use of 42" tall cones in lieu of the reflectorized free standing plastic drums in the tangent sections of the lane closure. Drums are still required in the tapers. These sheets are now available on the RWD website.

Please advise if you have any questions.
