

MISSISSIPPI DEPARTMENT OF TRANSPORTATION

Inter-Departmental Memorandum

TO: Design Team Leaders

DATE: April 7, 2010

FROM: Steven W. Reeves
Quality Control Engineer

SUBJECT OR PROJECT NO: 24" Stop Bar

INFORMATION COPY TO:

COUNTY:

Roadway Design Director (Reese)
Assistant Roadway Design Director (Mood)
Assistant Chief Engineer - Pre-Construction (Purvis)
Special Projects Engineer (Boteler)
Roadway Design Section Engineers
Construction Division (Funchess)
District Engineers
Consultants
RWD Files (Reeves)
FHWA

Through discussions with Traffic Engineering, Construction and Roadway Design Divisions, it has been decided that all future projects will show 24" Stop Bars at all locations. Since this does not cause a significant change in quantities, there is no reason to revise any projects that have already been printed.

If you have any questions, please advise.
