

# MISSISSIPPI DEPARTMENT OF TRANSPORTATION

## Inter-Departmental Memorandum

TO: Design Team Leaders

DATE: October 3, 2013

FROM: Russell Sutterfield   
Quality Control Engineer

SUBJECT OR PROJECT NO: Bridge End Pavement  
(Transverse Grooving)

INFORMATION COPY TO:

COUNTY:

Roadway Design Division Engineer (Reese)  
Assistant Roadway Design Division Engineer (Pittman)  
Special Projects Engineer (Geno)  
Roadway Design Section Engineers  
Construction Division (Glenn)  
Assistant District Engineers-Preconstruction  
Active Consultants

This Design Memo revises the Design Memo dated April 30, 2010. The previous memo stated that the Transverse Grooving pay item would still be required for bridge end slabs that included the 1.5" asphalt overlay.

The Transverse Grooving pay item should only be included for bridge end slabs that will not be overlaid. All other pay items mentioned in the April 30, 2010 memo are still required for projects that include bridge end pavement. Plans that have already been printed will require a revision.

Consultants: Please distribute this Design Memo to any other of your offices that may have a need for it. All RWD Design Memos may be found on GOMDOT under Divisions -> Roadway Design -> Design Memos.

If you have any questions, please advise.
