

MISSISSIPPI DEPARTMENT OF TRANSPORTATION

Inter-Departmental Memorandum

TO: Design Team Leaders

DATE: September 12, 2016

FROM: Russell Sutterfield 
Quality Control Engineer

SUBJECT OR PROJECT NO: Removal Of Headwalls

INFORMATION COPY TO:

COUNTY:

Roadway Design Division Engineer (Pittman)
Assistant Roadway Design Division Engineer (Seal)
Special Projects Engineer (Geno)
Roadway Design Section Engineers
Construction Division (Glenn)
Assistant District Engineers-Preconstruction
Active Consultants

Effective immediately, we will no longer have a separate pay item for Removal of Headwalls. This includes pipes as well as box culverts and box bridges. Construction Division has already removed the various pay items from the pay item listing and they are to no longer be used. All plans should denote removal of headwalls with a note on the General Note sheet as follows:

The cost of removal of all headwalls and wingwalls (pipes, box culverts, box bridges) shall be absorbed in other items bid.

Consultants: Please distribute this Design Memo to any other of your offices that may have a need for it. All RWD Design Memos may be found on GOMDOT under Divisions -> Roadway Design -> Design Memos.

If you have any questions, please advise.
