Date: November 14, 2012

Project Number: NH-0003-01(186)/106325-101000

County: Jackson County

Project Description: Provide design for the widening of approximately 10 miles of US 90 from SR 609 to Dolphin Drive – Jackson County.

Dates Published in Clarion Ledger: November 7th and 14th, 2012

From: Scot Ehrgott, P.E. – MDOT Director of Consultant Services

Question #1: Geotechnical investigations (e.g., soil profiles, pavement condition evaluations, pavement recommendations) are not listed among the proposed contract services. Will MDOT provide these services, or should interested firms include geotechnical expertise in their proposals?

Answer: The scope will not include any geotechnical work. A soil profile is not needed. Pavement design will be furnished by MDOT.
