

Questions and Answers, Part 1 – Fatigue-prone steel girder inspections on SR 63 over Escatawpa River and I-20 over Valley Street

Date: April 10, 2013

Project Number: BR-0002-01(047)/106486-101000 & BR-0020-01(208)/106553-101000

County: Jackson and Hinds Counties

Project Description: Perform fatigue-prone steel girder inspections on SR 63 over Escatawpa River and I-20 over Valley Street – Jackson and Hinds Counties.

Dates Published in Clarion Ledger: March 20th and 27th, 2013

From: Scot Ehrgott, P.E. – MDOT Director of Consultant Services

Question #1: Can you provide more details (previous inspection reports or structural framing plan) for the bridges that are requiring inspections?

Answer: The asbuilts along with the latest inspection reports for the referenced project can be found on Bridge Division's ftp site at the link below:
