

Legal Notice

The Mississippi Department of Transportation (MDOT) proposes to execute a Master Contract(s) with firms for the purpose of providing Cultural Resources Environmental Services, Statewide. This includes planning and pre-construction phases of projects to document and obtain clearance for the cultural resource impacts which includes performing Phase I cultural resources surveys, Phase II site investigations, Phase III site mitigations, report preparation, and associated map and geodata submitted in the form of shapefiles for MDOT projects, Statewide. The Master Contract will utilize Cost plus Fixed Fee, Labor Hour/Unit Price, or Firm Fixed Price Work Assignments. The terms of a Master Contract for a selected consultant will not exceed 4 years with an estimated maximum contract amount of up to (2) million dollars; however, MDOT may elect to execute a contract for a lesser not to exceed amount. Selected consultants may be assigned Work Assignments throughout the Master Contract term. Work Assignments will be assigned based on MDOT's standard operating procedures.

Consulting firms interested in providing these services may so indicate by furnishing the Department **eight (8) copies and (1) CD** of an Expression of Interest which should consist of the following:

1. A cover letter specifying the name and complete description of the project, the name of the project manager, the location and address of the managing office, and the location and address of the office(s) that may be assigned the work;
2. A resume for each principal member, the project manager, and employee(s) of the firm anticipated to be assigned to the project. Also, provide a team organizational chart and list each person's experience and qualifications. The team organizational chart should include each individual's name, job description (for the project), and company of employment.
3. A description of similar type work completed during the past five (5) years which qualifies the consultant for this work; Evidence to support the capability of the Consultant to successfully conduct cultural resources surveys, site investigations, site mitigations, and associated report preparations shall include cultural resources survey reports and site investigation/mitigation reports completed during the past three (3) years and references for that work, including copies of correspondence from the Federal and/or State agencies and the appropriate State Historic Preservation Officer(s);
4. Part II of Standard Form (SF) 330, Architect-Engineer Qualifications. This Form can be obtained at [http://sp.gomdot.com/Consulting%20Services/Forms/Standard%20Form%20\(SF\)%20330,%20Part%20II.pdf](http://sp.gomdot.com/Consulting%20Services/Forms/Standard%20Form%20(SF)%20330,%20Part%20II.pdf). Interested firms without internet access may obtain this information by contacting Scot Ehgott at (601)359-7536; and,
5. A response containing the information upon which the consultant will be evaluated (see below).

The Department will evaluate the Expressions of Interest based on the following factors listed in their relative order of importance: Past performance of the consultant (and any subconsultant) on similar projects with MDOT and/or other clients; Experience, performance, and qualifications of the team's staff; Consultant's (and any subconsultant's) infrastructure & staff's ability to facilitate scope of the project; Location/proximity of the consultant's (and any subconsultant's) office(s); and Quality of Proposal.

To be considered, the "Expression of Interest" proposal must respond to all requirements of this legal ad and any addenda. The recommended proposal length should not exceed twenty five (25) pages, exclusive of appendices. The resumes, SF-330 Part II, and other information not relevant to the requirements should be included in the appendices. The Consultant's cover letter, table of contents, summaries and introductions, team organizational chart, past performances, & responses to the evaluation criteria should be included in the 25 pages. Pages should be numbered, single-spaced, one-sided, 8.5" by 11" with margins of at least one inch on all four sides. No more than five pages may be 11" by 17", but they may count as two sheets each against the recommended 25 page maximum. Information within the recommended 25 page limit of the proposal should be complete and sufficient in scope for the selection committee to evaluate the Consultant. Also, all text information in the recommended 25 page limit

should be shown in a readable font, size 12 points or larger. Headers, charts, and other graphics may be provided in a different font type and size providing they are legible. Section dividers, tabs, or similar means are recommended but are not counted as part of the recommended 25 page limit. These recommendations will be considered when evaluating the quality of proposal.

DBE goals may be applied to Work Assignments at MDOT's discretion. In the event that a DBE goal is required on an individual work assignment, MDOT approval of the DBE sub consultant(s) will be required.

The MDOT reserves the right to reject any and all Proposals, discontinue contract execution, and/or request additional information with any party at any time prior to final contract execution.

The MDOT reserves the right to obtain references from any source listed in the PROPOSAL and any other source deemed appropriate for any of the requirements/criteria listed in this legal notice.

If a Consultant opts to request a debriefing following the announcement of the selected Consultant(s), the Consultant shall send an email to the below addressee within two (2) weeks of the distribution of the notification letter of the selected Consultant(s). Any debriefings shall be limited to the merits of the individual Consultant's proposal.
