

Legal Notice

The Mississippi Department of Transportation (MDOT) proposes to execute a Master Contract(s) with firms for the purpose of providing Underground Storage Tank Removal and Remediation Services, Statewide. The selected firms will be utilized to excavate, transport, and dispose of underground storage tanks, contaminated soils, petroleum and/or contaminated groundwater or other materials, Statewide. This includes sites purchased as part of highway improvement projects and MDOT facilities. The Master Contract will utilize Cost plus Fixed Fee, Labor Hour/Unit Price, or Firm Fixed Price Work Assignments. Selected consultants may be assigned Work Assignments throughout the Master Contract term.

To be considered, the "Expression of Interest" proposal must respond to all requirements of this legal ad and any addenda. The recommended proposal length should not exceed twenty-five (25) pages, exclusive of appendices. The resumes (which should not exceed 2 pages per individual in length), SF-330 Part II, proof of State Licensure and certificates requirements, and other information not relevant to the requirements should be included in the appendices. The Consultant's cover letter, table of contents, summaries and introductions, team organizational chart, past performances, and responses to the evaluation criteria should be included in the 25 pages. Pages should be numbered, single-spaced, one-sided, 8.5" by 11" with margins of at least one inch on all four sides. No more than five pages may be 11" by 17", but they may count as two sheets each against the recommended 25 page maximum. Information within the recommended 25 page limit of the proposal should be complete and sufficient in scope for the selection committee to evaluate the Consultant. All text information in the recommended 25 page limit should be shown in a readable font, size 12 points or larger. Headers, charts, and other graphics may be provided in a different font type and size providing they are legible. Section dividers, tabs, or similar means are recommended but are not counted as part of the recommended 25 page limit. These recommendations will be considered when evaluating the quality of proposal.

With the exception of the information to be supplied in the appendices, the "Expression of Interest" proposal should be divided into the following sections as listed below.

Consulting firms (CONSULTANT) interested in providing these services may so indicate by furnishing the MDOT **seven (7) copies and one (1) CD** of an Expression of Interest which should consist of the following unless specifically stated otherwise:

1. The Prime CONSULTANT should provide a cover letter specifying the name and complete description of the Master Contract, the name of the Prime CONSULTANT and any of its Subconsultant(s), the name of an individual who will be the single point of contact throughout the selection process, the name of the project manager, the location and address of the managing office, and the location and address of the office(s) that may be assigned the work. Should any Subconsultant(s) be listed as team members, identify the roles of each of the team's members. In addition, the CONSULTANT must note if this is a joint venture;
2. The CONSULTANT should identify each principal member, the project manager, the supervisor, and key personnel of the team anticipated to be assigned to the project. Resumes for all of the personnel previously identified should be included in the appendices. Resumes for any other known personnel that would be assigned to this project may also be included but are not required. Resumes should reflect qualifications and recent experience relevant to the project description indicated in this legal ad. The CONSULTANT should propose an appropriate quantity and quality of staff to ensure successful completion of any work assignment that may be assigned with limited MDOT support.

Also, provide a team organizational chart and list each person's experience and qualifications, including proof that key personnel are certified to remove underground storage tanks and licensed by the Mississippi Department of Environmental Quality, Underground Storage Tank Branch. The team organizational chart should include each individual's name, job description (for the project), and company of employment;

3. The CONSULTANT should list any resources (bulldozers, excavators, etc...) of the team that may be deemed advantageous to performing the services outlined in this legal ad;
4. The CONSULTANT should provide a description of similar type work completed during the past five (5) years which qualifies the consultant for this work. Provide a detailed description of the role of the consultant and define whether the consultant was the prime or a subconsultant. **Include in the description the amount of the consultant's contract for the work they provided for the project and the completion date.** The firm should provide contact information for each of the projects. This will include the name of the client and client's representative that can verify and discuss the project;
5. Part II of Standard Form (SF) 330, Architect-Engineer Qualifications. If a firm has branch offices, complete the form for each specific branch office seeking work. In addition, this form should be completed for any subconsultants in the same manner. This form can be obtained at [http://sp.gomdot.com/Consulting%20Services/Forms/Standard%20Form%20\(SF\)%20330,%20Part%20II.pdf](http://sp.gomdot.com/Consulting%20Services/Forms/Standard%20Form%20(SF)%20330,%20Part%20II.pdf). Interested firms without internet access may obtain this information by contacting Scot Ehrgott at (601) 359-7536; and,
6. A response containing the information upon which the consultant will be evaluated (see below).

The Department will evaluate the Expressions of Interest based on the following factors listed in their relative order of importance: Past performance of the consultant (and any subconsultant) on similar projects with MDOT and/or other clients; Experience, performance, and qualifications of the team's staff; Consultant's (and any subconsultant's) in-house capabilities, resources, and available staff to perform the listed services; Location/proximity of the consultant's (and any subconsultant's) office(s); and Quality of Proposal.

DBE goals may be applied to Work Assignments at MDOT's discretion. In the event that a DBE goal is required on an individual work assignment, MDOT approval of the DBE subconsultant(s) will be required.

The MDOT reserves the right to reject any and all Proposals, discontinue contract execution, and/or request additional information with any party at any time prior to final contract execution.

The MDOT reserves the right to obtain references from any source listed in the Proposal and any other source deemed appropriate for any of the requirements/criteria listed in this legal notice.

If a Consultant opts to request a debriefing following the announcement of the selected Consultant(s), the Consultant shall send an email to the below addressee within two (2) weeks of the distribution of the notification letter of the selected Consultant(s). Any debriefings shall be limited to the merits of the individual Consultant's proposal.
