

ADDENDUM #1 – I-20 from the Mississippi River through Vicksburg

Date: April 20, 2015

Project Number: IMD-0020-01(181)/100367-102000

County: Warren County

Project Description: Provide Phase A roadway and bridge plans for reconstruction of I-20 from the Mississippi River through Vicksburg – Warren County.

Dates Published in Clarion Ledger: April 1st and 8th, 2015

From: Scot Ehrgott, P.E. – MDOT Director of Consultant Services

Statement of modifications:

The purpose of this addendum is to make the following changes:

- 1. Page 1, 1st paragraph, 2nd sentence of the RFI reads as stated below:**

“This contract will include development of Phase A (Right of Way) Plans for both roadway and bridge design including, all necessary field surveying, profile grades, plan-profile sheets, the determination of required right-of-way limits, hydraulic design, earthwork quantities, typical sections, conceptual traffic control, conceptual signing plans, and other specified plan details.”

This sentence shall be revised to read as stated below:

“This contract will include development of Phase A (Right of Way) Plans for both roadway and bridge design including, all necessary field surveying, profile grades, plan-profile sheets, the determination of required right-of-way limits, hydraulic design, earthwork quantities, typical sections, **traffic analysis**, conceptual traffic control, conceptual signing plans, **conceptual signal design**, and other specified plan details.”

This Addendum is effective this date and shall be used in the selection of any firms interested in submitting proposals for this Project.
