

## **ADDENDUM #1 – Well Services Master Contract 2016**

**Date:** February 18, 2016

**County:** Statewide

**Project Description:** Provide well services to include, but not limited to, the installation and/or decommissioning of water wells, groundwater monitoring wells, and boreholes - Statewide.

**Dates Published in Clarion Ledger:** February 10th and 17th, 2016

**From:** Scot Ehrgott, P.E. – MDOT Director of Consultant Services

### **Statement of modifications:**

**The purpose of this addendum is to make the following changes:**

**1. Page 1, 1<sup>st</sup> paragraph, 1<sup>st</sup> sentence of the RFI reads as stated below:**

“The Mississippi Department of Transportation (MDOT) proposes to execute a Master Contract(s) with firms for the purpose of providing well services to include, but not limited to, the installation and/or decommissioning of water wells, groundwater monitoring wells, and boreholes in accordance with **section XIV of** the current version of the Mississippi Department of Environmental Quality’s, Office of Land and Water Resources document, Licensing of Water Well Contractors Regulation LW-3, Statewide.”

**The reference to “**section XIV of**” shall be deleted, and the revised sentence shall read as stated below:**

“The Mississippi Department of Transportation (MDOT) proposes to execute a Master Contract(s) with firms for the purpose of providing well services to include, but not limited to, the installation and/or decommissioning of water wells, groundwater monitoring wells, and boreholes in accordance with the current version of the Mississippi Department of Environmental Quality’s, Office of Land and Water Resources document, Licensing of Water Well Contractors Regulation LW-3, Statewide.”

**This Addendum is effective this date and shall be used in the selection of any firms interested in submitting proposals for this Project.**
